

Covid - 19 Timeline Analysis

The background of the slide features a dark teal grid. Overlaid on this grid are various numerical data points in red and green, including percentages like '79%' and '5%', and numbers such as '18,36', '46,92', '3,7', '12,23', '7,13', '18,37', '33,66', '45,90', '47,93', '12', '45,89', '28,56', '33,67', '0,1', '39,78', '24,47', and '23'. A dashed white line with circular markers at intervals extends from the left side towards the right. On the right side, there is a detailed wireframe model of a coronavirus particle, showing its characteristic spherical shape and protruding spike proteins. The particle is rendered in blue and white wireframe, with some internal structure visible.
